Management Information Circular

Unless otherwise stated, information contained herein is given as of August 7, 2026. All references to dollar amounts herein are references to Canadian dollars (“CAD”) unless otherwise indicated.

INFORMATION REGARDING PROXIES AND VOTING AT THE MEETING

Solicitation of Proxies

This management information circular (the “**Information Circular**”) is furnished in connection with the solicitation by the management of Legend Power Systems Inc. (the “**Company**”) of proxies to be voted at the annual general meeting (the “**Meeting**”) of the holders (the “**shareholders**”) of common shares of the Company (“**Common Shares**”, “**common shares**” or “**Shares**”) to be held as a virtual shareholders’ meeting via audio conference at 1.888.886.7786 on Friday, September 11, 2026 at 10:00 AM (Pacific), for the purposes set out in the accompanying notice of meeting (“**Notice of Meeting**”). References in this Information Circular to the Meeting include any adjournment or postponements thereof.

Unless otherwise stated, the information contained in this Information Circular is given as of August 7, 2026 (the “**Record Date**”).

The head office of the Company is located at 1480 Frances Street, Vancouver, BC, V5L 1Y9. The registered and records office of the Company is located at 2054 Dowad Drive, Squamish, BC, V8B 0Y8.

The solicitation of proxies by management of the Company will be made primarily by mail and virtually; however, proxies may also be solicited by telephone or in person with the cost of such solicitation to be borne by the Company. **While no arrangements have been made to date, the Company may have certain officers, directors, regular employees, or contract a company for the solicitation of proxies for the Meeting. Such arrangements would include customary fees which would be borne by the Company.**

Voting of Proxies by Registered Shareholders

The Common Shares represented by the accompanying instrument of proxy (“**Instrument of Proxy**”) if the same is properly executed and is received at the offices of Computershare Trust Company of Canada, Attention: Proxy Department, 510 Burrard Street, 3rd Floor, Vancouver, British Columbia, V6C 3B9, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Vancouver, in the Province of British Columbia) prior to the time set for the Meeting or any adjournment or postponements thereof, will be voted at the Meeting, and, where a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting, as the case may be, in accordance with the specification made. **In the absence of such specification, Instruments of Proxy in favour of management will be voted in favour of all ordinary resolutions described herein. The Instrument of Proxy also confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting.** At the time of printing of this Information Circular, management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters that are not now known to management should properly come before the Meeting, the Instrument of Proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Appointment and Revocation of Proxies by Registered Shareholders

The persons named in the Instrument of Proxy have been selected by the board of directors (the “**Board**”) of the Company and have indicated their willingness to represent as proxy the shareholder who appoints them. **A shareholder wishing to appoint some other person, who need not be a shareholder, to represent them at the Meeting, may do so by inserting such person’s name in the blank space provided in the Instrument of Proxy or by completing another proper Instrument of Proxy and, in either case, depositing the completed and executed**

Instrument of Proxy at the offices of Computershare Trust Company of Canada, Attention: Proxy Department, 510 Burrard Street, 3rd Floor, Vancouver, British Columbia, V6C 3B9, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Vancouver, British Columbia) prior to the time set for the Meeting or any adjournment or adjournments thereof. A shareholder forwarding the Instrument of Proxy may indicate the manner in which the appointee is to vote with respect to any specific item, by checking the appropriate space in the Instrument of Proxy. If the shareholder giving the Instrument of Proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The Common Shares represented by the Instrument of Proxy submitted by a shareholder will be voted in accordance with the directions, if any, set forth in the Instrument of Proxy.

An Instrument of Proxy given pursuant to this solicitation may be revoked by an instrument in writing executed by a shareholder or by a shareholder's attorney duly authorized in writing or, if the shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney and deposited at the offices of the transfer agent, Computershare Trust Company of Canada, Attention: Proxy Department, 510 Burrard Street, 3rd Floor, Vancouver, British Columbia, V6C 3B9, at any time up to and including the last business day preceding the day of the Meeting or with the Chairperson of the Meeting on the day of the Meeting or in any other manner permitted by applicable law. Such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such Instrument of Proxy.

Voting by Non-Registered Shareholders

If you are not a registered shareholder ("**Non-Registered Shareholder**") of the Company and received the Notice of Meeting and this Information Circular through your broker or through another intermediary (an "**Intermediary**", which include, among other entities and individuals, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans), please complete and return the Instrument of Proxy or Voting Instruction Form ("**VIF**") provided to you by such broker or other Intermediary, in accordance with the instructions provided therein.

Only registered shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most shareholders are Non-Registered Shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. Common Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an Intermediary that the Non-Registered Shareholder deals with, in respect of the Common Shares; or (ii) in the name of a clearing agency such as CDS & Co. (the registration name of The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

Common Shares held by Intermediaries and their nominees can only be voted (for or against resolutions) upon the instructions of the Non-Registered Shareholder. Without specific instructions, the Intermediary or their nominee is prohibited from voting Common Shares for their clients. Each Non-Registered Shareholder should therefore ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") requires brokers and other Intermediaries to seek voting instructions from Non-Registered Shareholders in advance of shareholders' meetings. The various brokers and other Intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Non-Registered Shareholders to ensure their Common Shares are voted at the Meeting. The VIF supplied to a Non-Registered Shareholder by its broker (or the agent of the broker) is substantially similar to the Instrument of Proxy provided directly to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Non-Registered Shareholder. In Canada, the vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Services, Inc. ("**Broadridge**"). Broadridge typically prepares a machine readable VIF, mails those forms to Non-Registered Shareholders and asks Non-Registered Shareholders to return the VIFs to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the

results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Non-Registered Shareholder who receives a Broadridge VIF cannot use it to vote Common Shares directly at the Meeting. The VIFs must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted.** If you have any questions respecting the voting of Common Shares held through a broker or other Intermediary, please contact that broker or other Intermediary for assistance.

Although a Non-Registered Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of their broker, a Non-Registered Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. **Non-Registered Shareholders who wish to attend the Meeting and vote their Common Shares as proxyholder for the registered shareholder, should enter their own names in the blank space on the VIF and return it to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

There are two categories of Non-Registered Shareholders: (i) objecting beneficial owners (“**OBO**”) – those who object to their name being made known to the issuer of securities which they own; and (ii) non-objecting beneficial owners (“**NOBOs**”) – those who do not object to the issuer of the securities they own knowing who they are.

NOBOs

The Company has decided to take advantage of those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to NOBOs of the Company who have not waived the right to receive such materials. As a result, NOBOs can expect to receive a scannable VIF, together with this Information Circular, from Computershare Trust Company. VIFs are to be completed and returned to Computershare Trust Company following the instructions provided in the form. Computershare Trust Company will tabulate the results of the VIFs received from NOBOs and provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs received by it. Should a NOBO of the Company wish to vote at the Meeting, the NOBO must, as set forth in the VIF, request an Instrument of Proxy from Computershare Trust Company that will grant the NOBO the right to attend the Meeting and vote. NOBOs of the Company that wish to change their vote must, in sufficient time in advance of the Meeting, contact Computershare Trust Company to change their vote.

If you are a NOBO and the Company or its agent has sent the Notice of Meeting and this Information Circular directly to you, your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the securities on your behalf. By choosing to send such materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering them to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

OBOs

In accordance with the requirements of NI 54-101, copies of the Notice of Meeting and this Information Circular have been distributed to the clearing agencies and Intermediaries for distribution to OBOs. Intermediaries are required to forward the Notice of Meeting and this Information Circular to OBOs unless the OBO has waived the right to receive them, pursuant to NI 54-101. Very often, Intermediaries will use service companies to forward proxy material to OBOs. With the Notice of Meeting and this Information Circular, Intermediaries or their service companies should provide OBOs with a VIF which, when properly completed and signed by such OBO and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow. The purpose of this procedure is to permit OBOs to direct the voting of the Common Shares that they beneficially own. Should an OBO wish to vote at the Meeting, the OBO should follow the procedure in the VIF and request a form which will grant the OBO the right to attend the Meeting and vote. OBOs should carefully follow the instructions of their Intermediary, including those regarding when and where the completed VIF is to be delivered. OBOs who wish to change their vote must, in sufficient time in advance of the Meeting, arrange with their respective

Intermediaries to change their vote and, if necessary, revoke their VIF in accordance with the revocation procedures set out above.

All references to shareholders in this Information Circular and the Instrument of Proxy and Notice of Meeting, are references to registered shareholders of the Company unless specifically otherwise stated.

SECURITIES ENTITLED TO VOTE

The authorized share capital of the Company consists of an unlimited number of Common Shares. As at the Record Date, there were 156,394,614 Common Shares issued and outstanding. Each Common Share entitles the holder thereof to one (1) vote on all matters to be acted upon at the Meeting.

QUORUM

The quorum for the transaction of business at a meeting of shareholders consists of one or more persons present at the commencement of the Meeting holding, or representing by proxy, shares entitled to vote at the Meeting.

No business may be transacted at any meeting of shareholders unless a quorum of shareholders entitled to vote is present at the commencement of the Meeting.

The audited consolidated financial statements of the Company for the year ended September 30, 2025, including the report of the auditors thereon and management's discussion and analysis ("**Financial Statements**") will be tabled at the Meeting. Election of Directors

Advance Notice

The Company's articles (the "**Articles**") provide for advance notice (the "**Advance Notice**") to the Company in circumstances where nominations of persons for election to the Board are made by shareholders of the Company other than pursuant to (i) a requisition of a meeting made pursuant to the provisions of the *Business Corporations Act* (British Columbia) (the "**BCBCA**") or (ii) a shareholder proposal made pursuant to the provisions of the BCBCA.

The purpose of the Advance Notice is to ensure that all shareholders - including those participating in a meeting by proxy - receive adequate notice of the nominations to be considered at a meeting and can thereby exercise their voting rights in an informed manner. Among other things, the Advance Notice fixes a deadline by which holders of Common Shares must submit director nominations to the Company prior to any annual or special meeting of shareholders, and sets forth the minimum information that a shareholder must include in the notice to the Company for the notice to be in proper written form.

The foregoing is merely a summary of the Advance Notice provisions in the Articles, is not comprehensive, and is qualified by the full text of the Articles, which are available under the Company's SEDAR+ profile at www.sedarplus.ca.

As of the date of the Information Circular, the Company has not received notice of a nomination in compliance with the Advance Notice.

Fixing the Number of Directors

At the Meeting, the shareholders will be asked to fix the number of directors of the Company to be elected at 5 members. Approval of the number of directors will require the affirmative votes of the holders of not less than a simple majority of the votes cast in respect thereof by shareholders represented at the Meeting. **Unless otherwise directed, the management designees named in the accompanying instrument of proxy intend to vote in favour of fixing the number of directors at 5.**

Nominees

The persons named below are the nominees of management for election as directors. The term of office of each of the present directors expires at the Meeting. Management of the Company proposes to nominate the persons named below for election as directors of the Company at the Meeting, to serve until the next annual meeting of the shareholders of the Company, unless their office is earlier vacated. All of the nominees are currently members of the Board.

Approval of the election of directors will require the affirmative votes of the holders of not less than a simple majority of the votes cast in respect thereof by shareholders represented at the Meeting. **Unless otherwise directed, the management designees named in the accompanying instrument of proxy intend to vote in favour of the election, as directors, of the nominees whose names are set forth below.** In the event that prior to the Meeting, any vacancies occur on the slate of nominees submitted herewith, it is intended that discretionary authority will be granted to vote proxies solicited by or on behalf of management for the election of any other person or persons as directors. Management is not currently aware that any such nominees would not be willing to serve as director if elected.

2025	\$105,000	\$391	\$28,450	\$9,342
2024	\$105,000	\$207	\$26,900	\$9,233

Notes:

- (1) "Audit Fees" include fees necessary to perform the annual audit of the Company's financial statements. Audit Fees include fees for review of tax provisions and for accounting consultations on matters reflected in the financial statements. Audit Fees also include audit or other attest services required by legislation or regulation, such as comfort letters, consents, reviews of securities filings, and statutory audits.
- (2) "Audit-Related Fees" include services that are traditionally performed by the auditor. These audit-related services include employee benefit audits, due diligence assistance, accounting consultations on proposed transactions, internal control reviews, and audit or attest services not required by legislation or regulation.
- (3) "Tax Fees" include fees for all tax services other than those included in "Audit Fees" and "Audit-Related Fees.". This category includes fees for tax compliance, tax planning, and tax advice. Tax planning and tax advice includes assistance with tax audits and appeals, tax advice related to mergers and acquisitions, and requests for rulings or technical advice from tax authorities.

All of the engagements and fees for the year ended September 30, 2025, were pre-approved or ratified by the Audit Committee. The Audit Committee reviews with its auditor whether the non-audit services to be provided are compatible with maintaining the auditor's independence.

Ratification, Adoption and Re-Approval of Share Option Plan

At the Meeting, shareholders will be asked to ratify and re-approve the 10% rolling share option plan of the Company (the "**Option Plan**"). A copy of the Option Plan is attached hereto as Appendix "A".

Pursuant to Policy 4.4 of the TSX Venture Exchange, companies that have a rolling stock option plan reserving a maximum of 10% of the issued and outstanding shares must receive yearly shareholder approval of the Option Plan. The Option Plan was previously approved by the Company's shareholders at the annual general meeting held September 11, 2025. The aggregate maximum number of Shares that may be issued under the Option Plan is 10% of the issued and outstanding Shares on a rolling basis.

Shareholders will be asked to consider and, if deemed appropriate, to pass, with or without variation, a resolution (the "**Option Plan Resolution**") re-approving the Option Plan. The Option Plan Resolution requires a favourable vote of a majority of the Common Shares voted in respect thereof at the Meeting. The TSX Venture Exchange requires such approval before it will allow the re-adoption of the Option Plan. Options to purchase Common Shares that were previously granted to directors, officers, employees, consultants and advisors of the Company will be deemed to be granted under the Option Plan.

The text of the Option Plan Resolution is set out below:

"BE IT RESOLVED, as an ordinary resolution of the shareholders of Legend Power Systems Inc. (the "**Company**"), that:

1. The Company's 10% rolling share option plan (the "**Option Plan**") as described in and attached as Appendix "A" to the management information circular of the Company dated August 7, 2026, as may be revised by the directors of the Company to comply with applicable securities law, the policies and rules of the TSX Venture Exchange, or any requirement or request of any securities regulatory authority, be and is hereby adopted and approved;
2. Any one director or officer of the Company is hereby authorized, for and on behalf of the Company, to execute and deliver all such further agreements, documents, and instruments and to perform all such other acts, deeds, and things in relation to the Option Plan as such director or officer may deem to be necessary or advisable for the purpose of giving full force and effect to the provisions of this resolution, the execution and delivery by such director or officer of any such agreement, document, or instrument or the doing of any such act or thing being conclusive evidence of such determination; and
3. Notwithstanding the foregoing approvals, the directors of the Company be and are hereby authorized to abandon all or any part of these resolutions at any time prior to giving effect thereto without further notice to or approval of the shareholders of the Company."

The Board unanimously recommends a vote for the Option Plan Resolution. In the absence of instructions to the contrary, the person(s) designated by management of the Company in the enclosed Form of Proxy will be voted FOR the Option Plan Resolution.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. In respect of the election of directors, if there are more nominees for election as directors than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected, until all such vacancies have been filled. If the number of nominees for election is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

OTHER MATTERS

Management of the Company knows of no amendment, variation or other matter to come before the Meeting other than the matters referred to in the Notice of Meeting accompanying this Information Circular. However, if any other matter properly comes before the Meeting, the Instrument of Proxy and VIF furnished by the Company will be voted on such matters in accordance with the best judgment of the persons voting the Instrument of Proxy.

CORPORATE GOVERNANCE

The Company's Board and executive officers consider good corporate governance to be an important factor in the efficient and effective operation of the Company.

Board of Directors

The Board is currently composed of five directors: Randy Buchamer, Michael Atkinson, Jonathan Lanksy, Coismo La Porta and Dave Guebert. At the Meeting, shareholders will be asked to fix the number of directors of the Company to be elected at five (5).

National Policy 58-201 – *Corporate Governance Guidelines* suggests that the board of directors of a public company should be constituted with a majority of individuals who qualify as “independent” directors. An “independent” director is a director who is independent of management and is free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the director's ability to act with a view to the best interests of the Company, other than interests and relationships arising from shareholding. Of the proposed nominees for directors of the Company, four (Michael Atkinson, Jonathan Lanksy, Coismo La Porta and Dave Guebert) are considered by the Board to be “independent” within the meaning of National Instrument 58-101 – *Disclosure of Corporate Governance Practices*, and one nominee (Randy Buchamer) is considered to be “non-independent.” Randy Buchamer is not an independent director as he serves as President and Chief Executive Officer.

In order to ensure that the Board exercises independent judgment in carrying out its responsibilities, the independent members of the Board are asked if they would like to meet without the presence of the non-independent directors and management, known as “in-camera” meetings, after every regularly scheduled meeting and such in-camera sessions are held, as deemed appropriate.

The Board is responsible for determining the compensation paid to the directors of the Company. The directors establish director compensation based on the recommendations of the Nominating, Compensation and Governance Committee, which is comprised of a majority of independent directors, and review of the compensation paid to directors of similar stage entities.

Position Descriptions

The Board has not adopted a written position description for the Chair of the Board, however key responsibilities include duties relating to setting Board meeting agendas, chairing Board and shareholders meetings, director development and communicating with shareholders and regulators.

The Board has not adopted a written position description for the chair of the Audit Committee and the Chair of the Nominating, Compensation, and Governance Committee, however each committee chair's key responsibilities, include duties relating to setting committee meeting agendas, chairing committee meetings and working with the respective committee and management to ensure, to the greatest extent possible, the effective functioning of the committee.

The activities of the executive officers are subject to the overriding supervision and direction of the Board. The primary function of the Chief Executive Officer is to lead the management of the business and affairs of the Company, to lead the implementation of the resolutions and the policies of the Board, to supervise day to day management and to communicate with shareholders and regulators. The Board also considers that the role and responsibilities of the Chief Executive Officer is to develop the Company's strategic plans and policies, recommend such plans and policies to the Board, report relevant matters to the Board, facilitate communications between the Board and management, provide executive leadership and identify business risks and opportunities and manage them accordingly.

Orientation and Continuing Education

While the Company does not have formal Board orientation and training programs, orientation of new members of the Board would be conducted by informal meetings with members of the Board, briefings by management, and the provision of copies of or access to the Company's documents.

The Company has not adopted formal policies respecting continuing education for Board members. Board members are encouraged to communicate with management, legal counsel, auditors, and consultants, to keep themselves current with industry trends and developments and changes in legislation with management's assistance, and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the BCBCA and the common law, and the restrictions placed by the BCBCA on an individual director's participation in decisions of the Board in which the director has an interest, have helped to ensure that the Board operates independently of management and in the best interests of the Company.

Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company, and exercise the care, diligence, and skill that a reasonably prudent person would exercise in comparable circumstances. In addition, if a director of the Company also serves as a director or officer of another company engaged in similar business activities to the Company, that director must comply with the conflict of interest provisions of the BCBCA, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors that evoke such a conflict.

Further, the Company has a code of business conduct and ethics (the "**Code**") that applies to the Company's directors, officers, and employees. The Code does not address every possible business scenario, but rather, sets out key guiding principles of integrity to which Company personnel are expected to adhere in all matters. These principles include, but are not limited to, honest and ethical conduct, fair dealing with internal and external stakeholders, and compliance with all applicable laws, rules, and regulations.

Nomination of Directors

When there is a need to fill a position on the Board, either due to a vacancy or as required to carry out the Board's duties effectively and maintain a breadth of experience, the Nominating, Compensation, and Governance

Committee assists the current directors with identifying individuals qualified to become new Board members and potential candidates for consideration.

Board Committees

The Board has an Audit Committee and a Nominating, Compensation, and Governance Committee. For more detail on the committees of the Board, see *"Committees of the Board of Directors."*

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management, and the strategic direction and processes of the Board and committees. On an ongoing basis, the Board assesses the performance of the Board as a whole, each of the individual directors, and each committee of the Board, in order to satisfy itself that each is functioning effectively.

Corporate Policies

The Board has adopted the following policies in place for its directors, officers, employees, consultants, and suppliers:

- Board Mandate and Corporate Governance Policy
- Code of Business Conduct
- Corporate Disclosure Policy
- Insider Trading Policy
- Supplier Code of Conduct, Human Rights and Labour Policy

The above noted policies are on the Company website at <https://legendpower.com/governance/>. Shareholders may also contact the Company to request copies via email at lhodges@benchmarkgovernance.com

Diversity and Inclusion

While the Company believes that nominations to the Board and appointments to senior management should be based on merit, the Company recognizes that diversity supports broader and balanced perspective, debate and discussion which, in turn, enhances decision-making.

The Board has not adopted a formal policy regarding the identification and nomination of directors who are women, Aboriginal peoples, persons with disabilities or members of visible minorities ("**Designated Groups**"). The Company recognizes the benefits of diversity within its Board, at the senior management level and all levels of the organization but does not believe that a formal policy would enhance the representation of Designated Groups on the Board beyond the current recruitment and selection process.

The Company evaluates the necessary competencies, skills, experience and other qualifications of each candidate as a whole and considers the representation of Designated Groups as one of many factors in the recruitment and selection of candidates for Board and senior management positions.

The Board has not adopted formal targets regarding members of Designated Groups being represented on the Board or holding senior management positions. The representation of Designated Groups is one of many factors considered in the overall recruitment and selection process in respect of Board and senior management positions at the Company. The Board does not believe that formal targets would enhance the representation of Designated Groups on the Board or in senior management positions beyond the current recruitment and selection process.

As of the date hereof, the Company has five directors and three members of senior management, including one member of senior management who is also a director, being the CEO. None of the Company's directors identify as being an Indigenous person, a person with a disability or a member of a visible minority. None of the Company's members of senior management identify as being an Indigenous person, a person with a disability or a member of a visible minority. None of the Company's members of senior management are a woman and none of the Company's five directors are women.

The following proposed directors of the Company also serve as directors of other reporting issuers:

Director	Other Reporting Issuer(s)
GUEBERT, David	Everyday People Financial Corp.

MEETINGS OF THE BOARD OF DIRECTORS

The Board meets at least once each calendar quarter to review, among other things, the performance of the Company. Results are compared and measured against a previously established plan and performance of prior fiscal years. The Board will review and assess the Company's financial budget and business plan for the ensuing year and its overall strategic objectives. This process will establish, among other things, benchmarks against which the Board may measure the performance of management. Other meetings of the Board will be called to deal with special matters, as circumstances require.

COMMITTEES OF THE BOARD OF DIRECTORS

There are currently three committees of the Board, namely, the Audit Committee and the Nominating, Compensation, and Governance Committee.

Audit Committee

As of Record Date, the members of the Audit Committee are Randy Buchamer, Michael Atkinson, Jonathan Lanksy, Coismo La Porta and Dave Guebert (Chair), a majority of whom are considered independent directors for the purposes of National Instrument 52-110 – *Audit Committees* ("**NI 52-110**"). The full text of the Audit Committee's Charter is annexed as Appendix "B" to this Information Circular.

Each member of the Audit Committee is considered financially literate, as they each have the ability to understand a set of financial statements that presents a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements and the internal controls and procedures for financial reporting.

At no time since the commencement of the Company's most recently completed financial year has a recommendation of the Audit Committee to nominate or compensate an external auditor not been accepted by the Board.

As the Company is considered a "venture issuer" for the purpose of NI 52-110, it is relying on the exemption found in section 6.1 of NI 52-110.

In addition to each member's general business experience, the education and experience of each Audit Committee member that is relevant to the performance of their responsibilities as an Audit Committee member is set out at "*Particulars of Matters to be Acted Upon – Election of Directors – Biographies*".

The members of the Audit Committee are elected by the Board at its first meeting following the annual shareholders' meeting, to serve one-year terms. There are no limits to how many consecutive terms an Audit Committee member may serve.

Nominating, Compensation, and Governance Committee

As of the Record Date, the members of the Nominating, Compensation, and Governance Committee are Randy Buchamer, Michael Atkinson (Chair), Jonathan Lanksy, Cosimo La Porta and Dave Guebert a majority of whom are considered independent directors for the purposes of National Instrument 58-101 - Disclosure of Corporate Governance Practices ("NI 58-101"). The purpose of the Nominating, Compensation, and Governance Committee is to assist the Board in discharging its responsibilities with respect to: identifying individuals qualified to become new Board members; setting director and senior executive compensation; and assessing and making recommendations to the Board regarding certain compensation related and governance matters as delegated by the Board. The Board has adopted a written charter setting forth such purpose.

For additional details regarding the relevant education and experience of each member of the Nominating, Compensation, and Governance Committee, including the direct experience that is relevant to each committee member's responsibilities, see "*Particulars of Matters to be Acted Upon – Election of Directors – Biographies*." For information regarding the steps taken to determine compensation for the directors and the executive officers, see "*Statement of Executive Compensation*" herein.

No member of the Nominating, Compensation, and Governance Committee is an officer or employee of the Company, and as such, the Board believes that the Nominating, Compensation, and Governance Committee is able to conduct its activities in an objective manner.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Company operates in a dynamic and rapidly evolving market. To succeed in this environment and to achieve its business and financial objectives, the Company must attract, retain, and motivate a highly talented team of executive officers. The Company expects its team of executive officers to possess and demonstrate strong leadership and management capabilities, as well as foster a pioneering culture, which is at the foundation of the Company's success and remains a pivotal part of everyday operations. The Nominating, Compensation, and Governance Committee is responsible for assisting the Board in fulfilling its governance and supervisory responsibilities, and overseeing the human resources, succession planning, and compensation policies, processes, and practices. The Nominating, Compensation, and Governance Committee is also responsible for ensuring that the compensation policies and practices provide an appropriate balance of risk and reward consistent with the risk profile. The Board has adopted a written charter for the Nominating, Compensation, and Governance Committee setting out its responsibilities for administering the compensation programs and reviewing and making recommendations to the Board concerning the level and nature of the compensation payable to the directors and officers. The Nominating, Compensation, and Governance Committee's oversight includes reviewing objectives, evaluating performance, and ensuring that total compensation paid to the executive officers and various other key employees is fair, reasonable, and consistent with the objectives of the philosophy and compensation program.

The Nominating, Compensation, and Governance Committee is required to evaluate the Company's compensation programs as circumstances require and on an annual basis. As part of this evaluation process, the Nominating, Compensation, and Governance Committee is guided by the philosophy and objectives outlined above, as well as other factors which may become relevant, such as the cost to the Company if it were required to find a replacement for a key employee.

The Company's compensation practices are designed to retain, motivate, and reward its executive officers for their performance and contribution to the Company's long-term success, while recognizing that a focus on non-cash

incentives is appropriate, given the Company's current stage of development. The Nominating, Compensation, and Governance Committee seeks to reward the achievement of corporate and individual performance objectives and to align executive officers' incentives with the Company's performance. Although as of the date of this Information Circular, the Company's directors have not tied the compensation of its Named Executive Officers (as that term is defined below) to the achievement of specific performance goals, they regularly discuss milestones in relation to the Company's business activities, and intend to incorporate performance-based incentives using the Share Option Plan (the "**Option Plan**").

In order for the Company to achieve its growth objectives, attracting and retaining the right team members is critical. Having a considered compensation plan that attracts high performers and compensates them for continued achievements is a key component of this strategy. The Company's Named Executive Officers (as that term is defined below) will be invited to participate in the Option Plan, driving retention and ownership. Communicating clear and concrete criteria for merit-based increases and bonuses will also motivate the entire team to achieve individual and corporate goals.

No risks arising from the Company's compensation policies and practices have been identified that are reasonably likely to have a material adverse effect on the Company. No NEOs (as that term is defined below) or directors are permitted to purchase financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by a NEO or director.

Elements of Compensation

The Company's executive compensation consists primarily of two elements: (a) base salary; and (b) short-term, long-term and bonus incentives. The Company believes that providing competitive overall compensation enables the Company to attract and retain qualified executives. The compensation is set so as to be generally competitive with the compensation received by persons with similar qualifications and responsibilities who are engaged by other companies of corresponding size and business development, having similar number of employees and market capitalization; the peer group the Company uses to determine compensation consists of Eguana Technologies Inc., Electrova Inc., Greenland Renewables Inc., Kraken Robotics Inc., and UGE International Ltd.

Stock Option Plans and Other Incentive Plans

Option Plan

The following is a summary of the Company's Option Plan, qualified in its entirety by the full text of which is attached hereto as Appendix "A", which is the only incentive plan in place by the Company.

The Company currently has a rolling 10% option plan. As of the Record Date, there were 15,639,461 Shares reserved for issuance under the Option Plan and 14,561,250 options outstanding under the Option Plan. The Board is responsible for administering the Option Plan. The Option Plan was approved by the Board on March 24, 2010, and re-adopted by the Company's shareholders on September 11, 2025. The Company has obtained shareholder approval of the Option Plan at each annual general meeting since adoption.

The purpose of the Option Plan is to: (a) provide directors, officers, consultants, and employees of the Company with additional incentive; (b) encourage stock ownership by such persons; (c) encourage such persons to remain with the Company; and (d) attract new directors, officers, consultants, and employees, among other purposes.

The Option Plan provides that the aggregate number of Common Shares pursuant to all share compensation arrangements that are at any one time reserved and set aside for issuance cannot exceed 10% of the number of Common Shares issued and outstanding from time to time. As a result, any increase in the issued and outstanding Common Shares will result in an increase in the number of Common Shares that may be reserved and set aside for issuance.

The number of Common Shares reserved for issue to any one optionee pursuant to all share compensation arrangements granted or issued may not exceed 5% of the issued and outstanding Common Shares within a 12-month period, unless the Company has obtained disinterested shareholder approval, being approval by a majority of the votes cast by the shareholders eligible to vote at a shareholders' meeting, excluding votes attaching to Common Shares beneficially owned by insiders and their associates. The number of Common Shares reserved for issue to any one consultant (other than a director, officer or employee) pursuant to all share compensation arrangements granted or issued may not exceed 2% of the issued and outstanding Common Shares within a 12-month period, unless the Company has obtained the consent of the TSX Venture Exchange.

Options granted under the Option Plan will have an exercise price set by the Board and be in accordance with TSX Venture Exchange Policy 4.4 Security Based Compensation.

Vesting provisions and the expiry date for options granted under the Option Plan will be determined by the Board at the time of grant and be in accordance with TSX Venture Exchange Policy 4.4 Security Based Compensation.

ARTICLE 2 SHARE OPTION PLAN

Establishment of Share Option Plan

2.1 The Plan is hereby established to recognize contributions made by Service Providers and to create an incentive for their continuing assistance to the Company and its Affiliates.

Maximum Plan Shares

2.2 The maximum aggregate number of Plan Shares that may be reserved for issuance under the Plan at any point in time is 10% of the Outstanding Shares at the time Plan Shares are reserved for issuance as a result of the grant of an Option, less any Common Shares reserved for issuance under share options granted under Share Compensation Arrangements other than this Plan, unless this Plan is amended pursuant to the requirements of the TSX Venture Policies (and, if applicable, NEX Policies).

Eligibility

2.3 Options to purchase Common Shares may be granted hereunder to Service Providers of the Company, or its affiliates, from time to time by the Board. Service Providers that are not individuals will be required to undertake in writing not to effect or permit any transfer of ownership or option of any of its securities, or to issue more of its securities (so as to indirectly transfer the benefits of an Option), as long as such Option remains outstanding, unless the written permission of the TSX Venture and the Company is obtained.

Options Granted Under the Plan

2.4 All Options granted under the Plan will be evidenced by an Option Commitment in the form attached as Schedule A, or in such other form as may be or have been approved by the directors from time to time, showing the number of Optioned Shares, the term of the Option, a reference to vesting terms, if any, and the Exercise Price.

2.5 Subject to specific variations approved by the Board, all terms and conditions set out herein will be deemed to be incorporated into and form part of an Option Commitment made hereunder.

Limitations on Issue

2.6 Subject to §2.10, the following restrictions on issuances of Options are applicable under the Plan:

- (a) no Service Provider can be granted an Option if that Option would result in the total number of Options, together with all other Share Compensation Arrangements granted to such Service Provider in the previous 12 months, exceeding 5% of the Outstanding Shares, unless the Company has obtained Disinterested Shareholder Approval to do so;
- (b) the aggregate number of Options granted to all Service Providers conducting Investor Relations Activities in any 12-month period cannot exceed 2% of the Outstanding Shares, calculated at the time of grant, without the prior consent of the TSX Venture (or NEX, as the case may be); and
- (c) no Consultant can be granted an Option if that Option would result in the total number of Options, together with all other Share Compensation Arrangements granted to such Consultant in the previous 12 months, exceeding 2% of the Outstanding Shares, without the prior consent of the TSX Venture Exchange.

Options Not Exercised

2.7 In the event an Option granted under the Plan expires unexercised or is terminated by reason of dismissal of the Optionee for cause or is otherwise lawfully cancelled prior to exercise of the Option, the Optioned Shares that were issuable thereunder will be returned to the Plan and will be eligible for re-issuance.

Powers of the Board

2.8 The Board will be responsible for the general administration of the Plan and the proper execution of its provisions, the interpretation of the Plan and the determination of all questions arising hereunder. Without limiting the generality of the foregoing, the Board has the power to

- (a) allot Common Shares for issuance in connection with the exercise of Options;
- (b) grant Options hereunder;
- (c) subject to any necessary Regulatory Approval, amend, suspend, terminate or discontinue the Plan, or revoke or alter any action taken in connection therewith, except that no general amendment or suspension of the Plan will, without the prior written consent of all Optionees, alter or impair any Option previously granted under the Plan unless the alteration or impairment occurred as a result of a change in the TSX Venture Policies or the Company's tier classification thereunder;
- (d) delegate all or such portion of its powers hereunder as it may determine to one or more committees of the Board, either indefinitely or for such period of time as it may specify, and thereafter each such committee may exercise the powers and discharge the duties of the Board in respect of the Plan so delegated to the same extent as the Board is hereby authorized so to do; and

- (e) amend this Plan (except for previously granted and outstanding Options) to reduce the benefits that may be granted to Service Providers (before a particular Option is granted) subject to the other terms hereof.

Amendment of the Plan by the Board of Directors

2.9 Subject to the requirements of the TSX Venture Exchange Policies, the prior receipt of any necessary Regulatory Approval, and Shareholder Approval when applicable, the Board may in its absolute discretion, amend or modify the Plan or any Option granted as follows:

- (a) it may make amendments which are of a typographical, grammatical, clerical, or housekeeping nature only;
- (b) it may change the vesting provisions of an Option granted hereunder, subject to prior written approval of the TSX Venture, if applicable;
- (c) it may amend the exercise price of an Option granted hereunder, subject to §2.10 and the prior written approval of the TSX Venture, if applicable;
- (d) it may change the termination provision of an Option granted hereunder which does not entail an extension beyond the maximum period permitted under the TSX Venture Policies;
- (e) it may make amendments necessary as a result in changes in laws applicable to the Company;
- (f) if the Company becomes listed or quoted on a stock exchange or stock market senior to the TSX Venture, it may make such amendments as may be required by the policies of such senior stock exchange or stock market; and
- (g) it may make such amendments as reduce, and do not increase, the benefits of this Plan to Service Providers.

Amendments Requiring Disinterested Shareholder Approval

2.10 The Company will be required to obtain Disinterested Shareholder Approval prior to any of the following actions becoming effective:

- (a) the Plan, together with all of the Company's other previous Share Compensation Arrangements, could result at any time in:
 - (i) the aggregate number of Common Shares reserved for issuance that are issuable pursuant to all Share Compensation Arrangements granted or issued to Insiders (as a group) exceeding 10% of the Outstanding Shares;
 - (ii) the number of Common Shares that are issuable pursuant to all Share Compensation Arrangements granted or issued to Insiders (as a group) within a one-year period exceeding 10% of the Outstanding Shares, calculated as at the date any Share Compensation Arrangement is granted or issued to any Insider; or,

(iii) the aggregate number of Common Shares that are issuable pursuant to all Share Compensation Arrangements granted or issued to any one Optionee, within a 12-month period, exceeding 5% of the Outstanding Shares; or

(b) any reduction in the Exercise Price or the extension of the term of an Option previously granted to an Insider at the time of the proposed amendment.

Options Granted Under the Company's Previous Share Option Plans

2.11 Any option granted pursuant to a stock option plan previously adopted by the Board which is outstanding at the time this Plan comes into effect shall be deemed to have been issued under this Plan and shall, as of the date this Plan comes into effect, be governed by the terms and conditions hereof.

ARTICLE 3 TERMS AND CONDITIONS OF OPTIONS

Exercise Price

3.1 The Exercise Price of an Option will be set by the Board at the time such Option is allocated under the Plan, and cannot be less than the Discounted Market Price.

Term of Option

3.2 An Option can be exercisable for a maximum of 10 years from the Effective Date.

Option Amendment

3.3 Subject to §2.10(b), the Exercise Price of an Option may be amended only if at least six (6) months have elapsed since the later of the date of commencement of the term of the Option, the date the Common Shares commenced trading on the TSX Venture, or the date of the last amendment of the Exercise Price.

3.4 An Option must be outstanding for at least one year before the Company may extend its term, subject to the limits contained in §3.2.

3.5 Any proposed amendment to the terms of an Option must be approved by the TSX Venture prior to the exercise of such Option.

Vesting of Options

3.6 Subject to §3.7, vesting of Options shall be at the discretion of the Board and, with respect to any particular Options granted under the Plan, in the absence of a vesting schedule being specified at the time of grant, all such Options shall vest immediately. Where applicable, vesting of Options will generally be subject to:

(a) the Service Provider remaining employed by or continuing to provide services to the Company or any of its Affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or any of its Affiliates during the vesting period; or

- (b) the Service Provider remaining as a Director of the Company or any of its Affiliates during the vesting period.

Vesting of Options Granted to Service Providers Conducting Investor Relations Activities

3.7 Notwithstanding §3.6, Options granted to all Service Providers conducting Investor Relations Activities will vest:

- (a) over a period of not less than 12 months as to 25% on the date that is three months from the date of grant, and a further 25% on each successive date that is three months from the date of the previous vesting; or
- (b) such longer vesting period as the Board may determine.

Options granted to Service Providers conducting Investor Relations Activities may not have the vesting provisions accelerated without the prior written approval of the TSX Venture Exchange.

Effect of Take Over Bid

3.8 If a Take Over Bid is made to the shareholders generally then the Company shall immediately upon receipt of notice of the Take Over Bid, notify each Optionee currently holding an Option of the Take Over Bid, with full particulars thereof whereupon such Option may, notwithstanding §3.6 and §3.7 or any vesting requirements set out in the Option Commitment, be immediately exercised in whole or in part by the Optionee, subject to approval of the TSX Venture (or the NEX, as the case may be) for vesting requirements imposed by the TSX Venture Policies.

Acceleration of Vesting on Change of Control

3.9 Should the Expiry Date for an Option fall within a formally imposed Blackout Period by the Company pursuant to an internal trading policy as the result of a bona fide existence of undisclosed material information, during which the Optionee is prohibited from exercising, following the expiration of the Blackout Period, the Expiry Date of the affected Option can be extended to no later than ten business days after the expiry of the Blackout Period, subject to compliance with TSX Venture Policy 4.4.

Extension of Options Expiring During Blackout Period

3.10 Should the Expiry Date for an Option fall within a Blackout Period, or within nine (9) Business Days following the expiration of a Blackout Period, such Expiry Date shall, subject to approval of the TSX Venture (or the NEX, as the case may be), be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Blackout Period, such tenth Business Day to be considered the Expiry Date for such Option for all purposes under the Plan. Notwithstanding §2.8, the tenth Business Day period referred to in this §3.10 may not be extended by the Board.

Optionee Ceasing to be Director, Employee or Service Provider

3.11 Options may be exercised after the Service Provider has left his/her employ/office or has been advised by the Company that his/her services are no longer required or his/her service contract has expired, until the term applicable to such Options expires, except as follows:

(a) in the case of the death of an Optionee, any vested Option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;

(b) an Option granted to any Service Provider will expire 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option) after the date the Optionee ceases to be employed by or provide services to the Company, and only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Company; and

(c) in the case of an Optionee being dismissed from employment or service for cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.

Non Assignable

3.12 Subject to §3.11(a), all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

Adjustment of the Number of Optioned Shares

3.13 The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following, subject to the prior approval of the TSX Venture Exchange where required in accordance with TSX Venture Policy 4.4.:

(a) in the event of a subdivision of Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a greater number of Common Shares, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder, in addition to the number of Optioned Shares in respect of which the right to purchase is then being exercised, such additional number of Common Shares as result from the subdivision without an Optionee making any additional payment or giving any other consideration therefor;

(b) in the event of a consolidation of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a lesser number of Common Shares, the Company will thereafter deliver and an Optionee will accept, at the time of purchase of Optioned Shares hereunder, in lieu of the number of Optioned Shares in respect of which the right to purchase is then being exercised, the lesser number of Common Shares as result from the consolidation;

(c) in the event of any change of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder the number of shares of the appropriate class resulting from the said change as an Optionee would have been entitled to receive in respect of the number of Common Shares so purchased had the right to purchase been exercised before such change;

(d) in the event of a capital reorganization, reclassification or change of outstanding equity shares (other than a change in the par value thereof) of the Company, a consolidation, merger or amalgamation of the Company with or into any other company or a sale of the property of the Company as or substantially as an entirety at any time while an Option is in effect, an Optionee will

thereafter have the right to purchase and receive, in lieu of the Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option, the kind and amount of shares and other securities and property receivable upon such capital reorganization, reclassification, change, consolidation, merger, amalgamation or sale which the holder of a number of Common Shares equal to the number of Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option would have received as a result thereof. The subdivision or consolidation of Common Shares at any time outstanding (whether with or without par value) will not be deemed to be a capital reorganization or a reclassification of the capital of the Company for the purposes of this §3.13;

(e) an adjustment will take effect at the time of the event giving rise to the adjustment, and the adjustments provided for in this section are cumulative;

(f) the Company will not be required to issue fractional shares in satisfaction of its obligations hereunder. Any fractional interest in a Common Share that would, except for the provisions of this §3.13, be deliverable upon the exercise of an Option will be cancelled and not be deliverable by the Company; and

(g) if any questions arise at any time with respect to the Exercise Price or number of Optioned Shares deliverable upon exercise of an Option in any of the events set out in this §3.13, such questions will be conclusively determined by the Company's auditors, or, if they decline to so act, any other firm of Chartered Accountants, in Vancouver, British Columbia (or in the city of the Company's principal executive office) that the Company may designate and who will be granted access to all appropriate records and such determination will be binding upon the Company and all Optionees.

ARTICLE 4

COMMITMENT AND EXERCISE PROCEDURES

Option Commitment

4.1 Upon grant of an Option hereunder, an authorized officer of the Company will deliver to the Optionee an Option Commitment detailing the terms of such Options and upon such delivery the Optionee will be subject to the Plan and have the right to purchase the Optioned Shares at the Exercise Price set out therein subject to the terms and conditions hereof, including any additional requirements contemplated with respect to the payment of required withholding taxes on behalf of Optionees.

Manner of Exercise

4.2 An Optionee who wishes to exercise his Option may do so by delivering

(a) a written notice to the Company specifying the number of Optioned Shares being acquired pursuant to the Option; and

(b) a certified cheque, wire transfer or bank draft payable to the Company for the aggregate Exercise Price for the Optioned Shares being acquired, plus any required withholding tax amount subject to §4.3.

Tax Withholding and Procedures

4.3 Notwithstanding anything else contained in this Plan, the Company may, from time to time, implement such procedures and conditions as it determines appropriate with respect to the withholding and remittance of taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law. Without limiting the generality of the foregoing, an Optionee who wishes to exercise an Option must, in addition to following the procedures set out in §4.2 and elsewhere in this Plan, and as a condition of exercise:

- (a) deliver a certified cheque, wire transfer or bank draft payable to the Company for the amount determined by the Company to be the appropriate amount on account of such taxes or related amounts; or
- (b) otherwise ensure, in a manner acceptable to the Company (if at all) in its sole and unfettered discretion, that the amount will be securely funded;

and must in all other respects follow any related procedures and conditions imposed by the Company.

Delivery of Optioned Shares and Hold Periods

4.4 As soon as practicable after receipt of the notice of exercise described in §4.2 and payment in full for the Optioned Shares being acquired, the Company will direct its transfer agent to issue to the Optionee the appropriate number of Optioned Shares. If the Exercise Price is set below the then current Market Price of the Common Shares on the TSX Venture at the time of grant, or if the option is granted:

- (a) to an Insider, Consultant or promoter, or
- (b) to persons holding securities carrying more than 10% of the voting rights attached to the Company's securities both immediately before and after the transaction in which securities are issued, and who have elected or appointed or have the right to elect or appoint one or more directors or senior officer of the Company; or
- (c) at a discount to the Market Price;
